

## Sentence planners

Use these sentence planners to help children structure their spoken and written language. The colour coded questions provide reminders of the information they need to include in different types of sentences.

You can use the planners with pictures or words so the child can see the order the information needs to come in the sentence.

The boy

went running

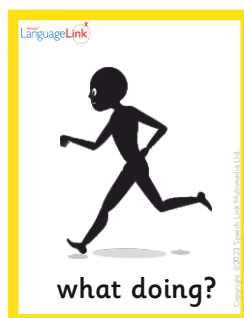

in the park

Next Assembly

Kamadha

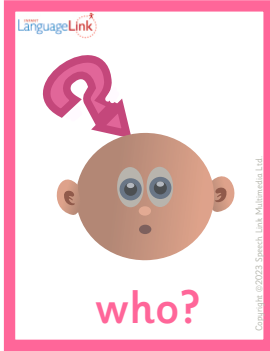

will get

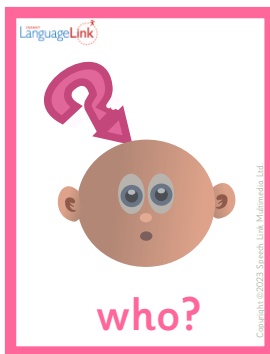

her certificate

You can extend the use of this approach around the classroom to support understanding and use of correct sentence structures e.g. add the colour coded questions to interactive display boards.

## Sentence planners

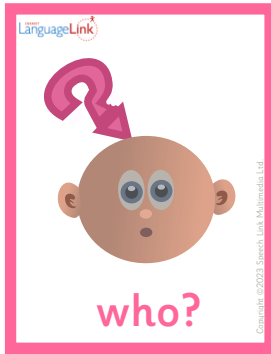

e.g. Makena bought her new game in town

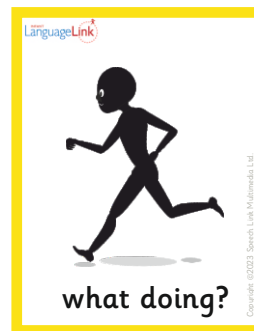

e.g. The big black dog is barking at the kitten

## Sentence planners

e.g. Grandad lost his glasses again!

e.g. Next week Emeryk is collecting his new bike.
